A Weekly Newspaper Devoted to Furthering the Civic and Rural Interests of the Whole of Washington Township

50 YEARS OLD | NILES, CALIFORNIA FRIDAY, MAY 20, 1938 | No. 20

AROUND *the* TOWNSHIP

Folks were surprised when they got letters postmarked Los Angeles last week and opened them up to see good-looking Dick Attinger announcing special service at his station across from the Register office.

Dick's place looks like a young and growing village. All he needs is a hot-dog stand and a merry-go-round to compete with the best of the villages in the county. Good luck, Dick, and we certainly do like your picture!

A signal honor—one never before accorded a resident of Washington Township—will be confered upon a veteran leader of business, civic and fraternal affairs on next Wednesday evening.

Appropriately, the testimonial dinner to Frank T. Dusterberry of Centerville will be held in the Veterans Memorial Building at Niles. Hundreds of friends, old and new, as well as acquaintances of more recent years, will be on hand to pay their measure of respect and appreciation to an outstanding citizen.

Truly the occasion will be flowers to the living.

* * * *

Mr. Kimber, we believe you've got something there. More power to the moving spirits who are bending their efforts toward organizing southern Alameda County for the recreational and beneficial pursuits of vocal and instrumental musical aggregations.

Next Monday evening's meeting at Washington High School should witness a greater outpouring of interested persons, exceeding the very creditable attendance at the initial meeting at Hayward on last Monday.

Open air band concerts in summer and choral and orchestral appearances in the fall should be enjoyable occasions, with plenty of talent for group participation in events such as the Golden State International Exposition next year.

Thus would be performed the two-fold objective of service at home and recognition abroad.
